

BAPTIST ASSEMBLY AUDITORIUM
Fort Caswell, N.C.

Card 1

We had a good trip
down w/ the little huff.
The assembly grounds at
St. Caswell are nice though
in spots a bit primitive.
It is on a promontory
at the mouth of Cape Fear.
Since it is a little hard to
get directly beach, we have
been driving over to Long
Beach morning and afternoons.
Even is really a picture
